Freedom of Information Coordinator  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Sir,

This is a request under the Freedom of Information Act as amended (5 U.S.C. #552).

I write to request a copy of all files in the Central Intelligence Agency indexed under the name of the Santa Barbara News & Review, Inc., and all files on any persons listed in association with the Santa Barbara News & Review, Inc., and all documents returnable by a search for documents containing any of the indicated names.

*we can't search for records on unnamed people, there are also privacy considerations*

As you know, the amended Act provides that if some parts of a file are exempt from release that "reasonably segregable" portions shall be provided. I therefore request that, if you determine that some portions of the requested material are exempt, you provide me immediately with a copy of the remainder of the file. We will, of course, reserve the right to appeal any such decision.

If you determine that some of, or all of, the requested information is exempt from release, I would appreciate your advising me as to which exemptions or exemption you believe cover the information which you are not releasing.

We are prepared to pay costs up to \$25 as specified in your regulations for locating the requested files and reproducing them. If costs will exceed \$25, please inform me of all such charges prior to their being incurred for my approval.

As you know, the amended Act permits you to reduce, or waive the fees if that is "in the public interest because furnishing the information can be considered as primarily benefiting the public." I believe that this request plainly fits that category and ask you to waive any fees.

*we will waive fees.*
